Guest Speaker

Gary Kynaston

Hammersmith Academy Headteacher

Gary became Head Teacher of the Hammersmith Academy when it opened in 2010 and has led the school to great success since then. The school achieved outstanding GCSE and A level results in 2023 and pupils continue to achieve places at top universities. These results showcase the school's commitment to fostering academic excellence, coupled with a holistic approach to education, continuing to shape the leaders and innovators of tomorrow. Gary will talk about how the school uses technology in teaching, how it changes what they do and how it has improved education.
